

PROJECT DETAIL

Title: Hillsboro Public School Multi-Purpose Facility

Owner: Hillsboro Public School District #9

Architects: ICON Architects

Project Size: \$707,260

Completed: May 1, 2003

Project Details:

The public school district in Hillsboro, North Dakota, relied on Community Contractors to re-energize an existing, owned structure to serve as a multi-purpose facility for meetings, community education and other public events and services.
